

## GUIDELINES FOR ABSTRACT & PROCEEDING SUBMISSION

- The conference language is **English**. Simultaneous translation will be available in French and Standard Chinese. All abstracts or proceedings must be submitted in English.
- In order to give a presentation at the congress, abstracts must be submitted online using the dedicated form available on the congress website <http://www.EnamellersCongressParis.com>. Do not fax, mail or email abstracts, they will not be considered.
- Please note that accepted abstracts can only be programmed for an oral presentation if at least one author has registered for participation at the conference and has paid the registration fee.
- The registered author can submit more than one abstract.
- The submission period is limited. Its deadline is July 31<sup>st</sup> 2025.
- All papers submitted by this deadline will receive an accept/reject e-mail notification before August 31<sup>st</sup> 2025.

### Before starting your online submission

- Prepare **personal data** (Author's details and background, company name, position in the company) that are to be included in the form - please note that the information used and published in the scientific program and collection of abstracts are taken from this form.
- The submitter will be considered as **presenting author** and will receive all future correspondence from the congress organisation.
- **Co-authors**: Enter the details of the co-authors in the order you want them to appear.
- For **abstract submission** : Prepare your **abstract text**, that will be included online in the corresponding field (no more than 300 words). A concise and factual abstract, written in English is required. The abstract should state the purpose of the research, methods employed in the study, the principal results and major conclusions. It must be able to stand alone. For this reason,

references should be avoided. Also, non-standard or uncommon abbreviations should be avoided, but if essential they must be defined at their first mention in the abstract itself.

If necessary, **addition of a graph, figure or picture** is permitted using the corresponding field.

- For **proceeding submission** : Prepare a short abstract text, that will be included online in the corresponding field (no more than 300 words)

- When all the materials are ready, please proceed to Abstract Submission by filling in the online form.

- ATTENTION: Please check the abstract carefully before submitting.- To help the scientific committee to allocate the submissions in the relevant sessions, please enter up to four **prelisted keywords**.
